[Nuestros Pequeños Hermanos Honduras](#) forms part of the Residential Institutions of Alternative Care (IRCAS) and through the governmental department [Direction of Children, Adolescents and Family \(DINAF\)](#), NPH benefits in formative and informative initiatives, technical and logistical support.

Due to the coronavirus crisis, efforts have been doubled to protect the most vulnerable children and adolescents. Through the support channeled through DINAF and thanks to the management of the First Lady of the nation, Ana García-Hernández, with the program "**Todos con Mascarillas - Everyone with Masks**" - NPH Honduras received a total of 500 A3 type face-masks.

In total, DINAF shall donate 15,000 face-masks to organizations under IRCAS throughout the country.

We know that as citizens and human beings, we all have the duty to extend a friendly hand to anyone who needs it. However, we also know that a great difference is made when we decide to give. Therefore, on behalf of our beneficiaries we would like to extend our appreciation to DINAF and the First Lady Ana García-Hernández for their support and availability to extend their hand. Thank you for considering ourselves as a benchmark in the protection and care of children. But more than that, thank you for helping us to keep them safe, now more than ever.

There are still many needs to cover and a lot of work to do with our children. But there is also a lot of hope, and we believe that with the solidarity of multiple sectors and citizens with possibilities and a generous heart, we will succeed.

With a support like this, our campaign "**#Vencealcoronavirus – Beat Coronavirus**" is strengthened and encourages other organizations to join us built this reality. At NPH Honduras, we are sure that after this crisis we will be able to see a more tangible way of how much each sacrifice has been valuable, since the little ones of today will bear fruit in our nation tomorrow.

We reiterate our gratitude and we look forward to continue working as a brotherhood for the children of Honduras and for our communities.

If you would like to make an immediate donation you can donate from \$0.10 by visiting [Abrassos](#), or if you would like to become a recurring donor visit your [local NPH office](#) to see how you can help.

Also, if you would like to be in a direct contact with our local fundraising office via fr.hn@nph.org.

Nuestros Pequeños Hermanos - the greatest family in Honduras!
